COUNTY OF TARRANT

§

WHEREAS, BETHEL TEMPLE CHURCH OF GOD is the Lessor (herein so called) under that certain Oil and Gas Lease (Paid Up) (the "Lease") dated May 4, 2007, wherein **GRANDE ENERGY COMPANY D/B/A GRANDECO CORP.** is the Lessee (herein so called), with such Lease covering certain property in Tarrant County, Texas, more particularly described on Exhibit "A" attached hereto and incorporated herein by reference (the "Property"), and such Lease being recorded at Document No. D207165037, Real Property Records, Tarrant County, Texas; and

WHEREAS, Lessor and Lessee desire to amend the Lease in order to specifically waive any right of Lessee under the Lease to construct, reconstruct, operate, maintain, inspect, test, repair, replace, remove and alter a pipeline on or under the Property without the consent of the surface owner of the Property.

Lessor grants to Lessee the right, privilege and easement to construct, reconstruct, operate, maintain, inspect, test, repair, replace, remove, alter and abandon an initial pipeline and any additional pipeline for the transportation of any or all of gas, gas constituents, oil or oil constituents, together with the right of ingress and egress over the land leased hereunder and the right to use such surface or subsurface areas as may be reasonably needed for the exercise of the rights, privileges and easements herein granted."

2. Lessee shall not construct a pipeline on or under the Property without first obtaining the written consent of the owner or owners of the entire surface estate in and to the Property, such owner or owners of the surface estate being third party beneficiaries to this Amendment.

3. Other than as amended hereby, the Lease shall remain in full force and effect as originally written.
